

North Texas Polymer Clay Guild  
November 2018 Meeting  
Shanda Bourne: Mica Shift and Scrap Clay  
Veneers

### Supply List

- ❖ Work Surface
- ❖ Pasta Machine
- ❖ Basic Polymer Clay Tools such as standard blades, x-acto knife, scissors, needle tool, acrylic rods, plastic deli wrap, printer/patty paper, etc.
- ❖ Additional Tools: Flexible Blades, Wavy Blades, Marxit tool (or ruler)
- ❖ Kemper Cutters or other small cutters
- ❖ Sandpaper and small container for water
- ❖ Polymer Clay
  - Sculpey Translucent Liquid Clay or Sculpey Bake and Bond or Kato PolyPaste
  - 6 oz. of Premo Metallic Clay (in a color of your choice)
  - 3 oz. of Premo Translucent (optional)
  - 1 oz. of Premo Black Clay
  - 1 oz. of Premo White Clay
  - 1 oz. of Premo Pearl Clay
  - 1 oz. of Premo Metallic Clay for enhancement (in a color of your choice)
  - 4 oz. of Premo Scrap Clay from a cane end or left over clays from previous projects
  - Notes: Do not bring glitter clay as it does not hold the same metallic properties as metallic clay.
